

Bier Huis Covid – Risk Assessment

Cleaning

Toilets to be closed to non-staff

Hand station on entry

Removal of hand baskets to reduce contact

Enhanced cleaning

Social distancing

Due to the 2m distancing required and not being able to put a 1-way system in place, only a capacity of one household can be permitted. Movement of people can not be contained to one area of the shop.

Staff to not be on the shop floor with customers, where this can not be done, wearing of PPE and distance from customer.

To limit customer to staff contact, a 2-meter moat to be put into place with card payments preferred. Cash taken is into a bucket and held for 24 hours before going back into the circulation. Goods held on a table so that staff make no contact of goods during transaction.

Bar/Events

All suspended due to social distancing, unable to hold events with a suitable capacity.
